** Use the following categories for cause of fire:

- Unintentional Fire:
  - Cooking
  - Smoking materials
  - Open flames
- Intentional Fire
- Undetermined Fire

* This fire log for the most recent 60-day period must be open to public inspection, upon request, during normal business hours. Any portion of the log older than 60 days must be made available within two business days of a request for public inspection. As with all documentation, the fire log must be kept for three years following the publication of the last annual report to which it applies (in effect, seven years).
