## The Program

### Remember:

1. You are personally responsible to plan your program to meet all graduation requirements.
2. To graduate you must complete all major and QuEST requirements with a minimum of 123 total credit hours. (a typical nursing plan is 127 credits)

Only 1 pre-requisite course may be repeated for an earned grade < “C”. Only one “C” is allowed in a pre-requisite science course: CHEM 103, BIOL 185, BIOL 186, BIOL 189, BIOL 382.
5. To progress in the nursing major you must maintain a cumulative earned GPA of 3.00.
6. Successful criminal history background checks must be completed for entry into the nursing clinical courses.

## Guidelines for Mathematical Sciences Courses

Statistics is required for nursing majors and meets the QuEST requirement for Mathematical Sciences.

### Students with Advanced Placement credit:

Requirements for courses in mathematical sciences can be met through Advanced Placement exam credit. Students who have taken AP exams in calculus, computer science, or statistics can learn [here](#) how credit is awarded for your scores.
