**Introduction**

These rules and regulations are implemented for the safety and welfare of students, employees and visitors, for the protection and maintenance of College property, and to govern traffic and parking on campus. Please remember parking on campus is a privilege.

Motor vehicle regulations are in effect at all times throughout the year. In addition to the Messiah College Traffic Code, all driving and parking regulations of the Pennsylvania Vehicle Code apply on campus roadways and may be enforced by the local police departments. It is your responsibility to know and abide by all rules and regulations; unfamiliarity with them will not excuse your responsibility to follow them. This code is subject to change throughout the year. Any changes will be published in College communications.

**Parking Policy Statement**

Parking regulations are in effect 24 hours a day, 7 days a week. It is your responsibility to read this Messiah College Traffic Code, which is posted on the College website at:

http://www.messiah.edu/info/20568/safety_office/814/vehicle_parking_info

As an operator of a motor vehicle, you may park only in your assigned lot as indicated by the letter on your parking permit.

**There is no switching of parking permits from lot to lot or person to person**

All persons who bring motor vehicles or motorcycles to campus must register them with the Falcon Exchange (students)). Upon approval of the appropriate registration form, a display decal is issued and must be placed, for students, on the driver’s side, inside, left hand corner of the rear window within three (3) days upon issuance.

As a reminder, Messiah College is a pedestrian campus, all roadways and walkways are considered fire lanes, students are not permitted to park in spaces assigned to employees, and employees are not permitted to park in those areas assigned to students. Any vehicles parked in an unassigned area will be cited.

**Permission to bring a car:** Students must receive prior permission from the Falcon Exchange to bring your car to campus; this office has the right to tell you to remove your vehicle from campus if you bring it without permission.

**Registrations and Fees**

All students, who possess, maintain or operate a motor vehicle on campus must register and obtain a parking permit upon arrival at the College.

A student-parking permit is valid only for the vehicle to which it is registered, indicates the approved lot for the registered vehicle, and authorizes the recipient to park a vehicle on campus. A parking citation will be issued for any vehicle parked in an area other than the area assigned.

**2018-2019 Parking Fees:**

Registration (effective for registrations received on or after June 1, 2018)

- $150.00/year for residential students
- $50.00/year for motorcycles
- $75.00/year for commuting students
- Employee permits – no cost
- $5.00/week for up to 3 weeks temporary permit parking

Students may register only ONE vehicle or ONE motorcycle.

Commuter students may register up to two vehicles. $10 charge/year for 2nd vehicle permit.

Permits are to be affixed on the inside rear window on the driver’s side of vehicles.

**Temporary Parking Permits are issued by the following offices based on the listed days/times:**

Monday through Friday, 9 am to 4 pm at the Falcon Exchange, 2nd floor, ECC.

All other times outside of normal business hours at the Dispatch Office, 1st floor, ECC (permits issued by Dispatch are valid for no more than 3 days).

Temporary permits are available at the Falcon Exchange to upper classmen that did not otherwise purchase an annual parking permit up to a maximum of 3 weeks per semester.

**The following documentation is required for vehicle registration:**

- Valid driver’s license
- Messiah College ID

**Unregistered Vehicles**

Any vehicle on campus that is not properly registered through Falcon Exchange will receive a citation. When the identity of the driver is known, the citations the vehicle has received will be added to that person’s account; an email will be sent to the person notifying them they have five (5) business days to register the vehicle with Falcon Exchange. If no contact is made with Falcon Exchange after the five (5) business day period, the car may be towed and stored at the owner’s expense. Further, citations the vehicle has received cannot be appealed with the officer or the student appeals committee until the vehicle is registered with Messiah College.

**Parking Assignments**

Assigned parking areas are indicated by designated lot on the parking permit or stickers on the hangtag and correspond to the letter(s) on the campus-parking map. Parking spaces are defined as those spaces marked in lots with white lines or other areas as designated by the Department of Safety and failure to comply with the below expectations may result in a parking citation. All owner, driver, and vehicle information must be current while the permitted vehicle is on Messiah College property.

**NOTE:** All registrants are required to park their vehicles in a designated parking space only.

1. **Commuter students:** All commuter students will be assigned to a specific lettered lot.
2. **Residential students:** All resident students will be assigned to a specific lettered lot.
3. **Satellite housing students:** All satellite-housing students are to register their vehicle at Falcon Exchange and will receive a complimentary Satellite Housing parking permit. This permit entitles the student to park only at their satellite house. Students that reside in on campus satellite houses without enough parking spaces at the house for all residents are required to purchase a permit at the regular registration fee to park in a student lot on the days they cannot park at their house. Students that live in off campus satellite houses must purchase a commuter-parking permit at the regular registration fee if they wish to park on campus Monday-Friday between 6a-6p.

[Area Intentionally Blank]
Parking and Traffic Policies/Regulations

**General Policies**
1. Vehicles must park in the assigned lot as designated on the parking permit.
2. A parking permit is valid only for the vehicle and person for which it is registered.
3. The person to whom the vehicle is registered is responsible for all parking violation fines, which will be posted to the student or employee account.
4. Abandoned vehicles are subject to towing at owner’s expense unless special arrangements have been made in advance with the Department of Safety.
5. Trailer and/or mobile home campers may not be parked on campus without prior permission from the Director of Safety or his/her designee.
6. Abandoned vehicles are subject to towing at owner’s expense unless special arrangements have been made in advance with the Department of Safety.
7. All motor vehicles and all contents in the vehicles are subject to be searched by the Department of Safety while on the College grounds, when an individual has violated an alcohol/drug policy, and/or when probable cause exists to warrant a search. If the owner/operator refuses to honor consent for this search, parking privileges will immediately be revoked, without refund of the nonrefundable parking permit registration fee, for the remainder of the academic year, the owner/operator will be directed to remove the vehicle from campus immediately and will be informed not to bring it back on campus. If the owner/operator does not comply, the vehicle will be towed and stored at his/her expense; refusal to honor consent will be weighed as evidence in a pending disciplinary hearing. Refer to the Student Handbook for policy/protocol.
8. Registrants of vehicles may be temporarily moved to another lot to meet the needs of the campus.
9. 15-Minute parking is permitted for anyone in front of any residence for loading or unloading purposes and only when four-way flashers are activated.
10. The malicious removal of a parking citation from any motor vehicle by anyone other than the vehicle’s registrant, owner or authorized operator is subject to a fine. The removal of the citation does not nullify the offense.
11. Double–parking, parking, standing or stopping on a roadway, or parking so that the vehicle occupies more than one space is not permitted.
12. Specific locations have been set aside and appropriately marked for parking for the exclusive use of the permanently and temporarily handicapped.
13. Citations may not be issued more than once during an eight–hour period for the same offense in the same location.
14. **If a registrant’s assigned lot is full with vehicles, they are to notify Dispatch, ext. 6005.**
15. **Switching of permits is prohibited.**
16. If any student is found to have a fraudulent parking permit displayed on their vehicle, a fine will be issued, and the student will be referred to the Student Review Board for further discipline.
17. Students that park on campus and do not have their current parking permit displayed on their vehicle or have not yet picked up their parking permit are financially responsible for all citations received by their vehicle.
18. Students **MAY NOT** park in employee lots at any time (See Restricted Areas).
19. Employees **MAY NOT** park in student lots at any time.

[Area Intentionally Blank]
Restricted Areas
Vehicles may not park in the following areas:
- Fire lanes
- Grass and lawn
- Walkways/sidewalks
- Reserved/service areas
- Handicapped areas—unless by permit
- In front of driveways, thereby blocking them
- No parking zones
- In a coned–off, barricaded, or blocked off area
- Loading docks
- In front of dumpsters, thereby blocking them
- 15-feet from residence/dorms

Further, all students must observe **NO PARKING** or **RESERVED** parking areas by signage, painted surface, or Traffic Code designation.

Additionally, **parking, standing or stopping is prohibited at all times in:**
- building service areas set aside for maintenance and service vehicles and for use as fire lanes, or in front of or blocking a building entrance or exit.
- any parking lot driveway, or aisle
- yellow or red curb areas, unless individually assigned or reserved.
- the Eisenhower Campus Center circle.
- front of, or within 15-feet of a fire hydrant, a crosswalk, sidewalk or lawn.
- areas that are coned or barricaded with traffic control devices (e.g.) cones, signs

Note: Between the hours of 6 pm.–6 am., students may use the Climenhaga/Old Main (ZZ), Murray Library (YY), or Sollenberger Sports Center lot, and in parking spaces along the railroad tracks (TT lot only) except during major events that require the use of these lots by other vehicles. Vehicles must be moved by 6 am or they will be ticketed.

Off-Limit Areas:
**Students are not permitted to park in Kline/Jordan (WW) in spaces that are not marked as P1, Visitor Lot (VV), or UU Lot in the parking garage. Violators are subject to parking citations and towing of vehicle.**
Loitering is not permitted after midnight at the Starry Athletic Complex, Grantham Cemetery, Pit parking area, and the forty acres behind Witmer and Mellinger. Additional areas considered off-limits at all times include, but are not limited to, railroad tracks (other than specifically marked crossing areas), construction sites, the water tower area at Tower Road, and dumpsters. For your and others safety, sitting in parked cars during this timeframe is also prohibited.

Visitors/Guests/Alumni
1. All visitors on campus must obtain a visitor’s parking pass, which must be clearly displayed by hanging it from the vehicle’s interior mirror.
2. Visitor permits will be issued at no cost.
3. Visitor permits may be obtained from the following offices:
a. The Falcon Exchange in the Eisenhower Campus Center (ECC), 2nd floor, Monday through Friday, 9 am to 4 pm.

b. Dispatch Services in the Eisenhower Campus Center (ECC) building, open 24 hours

4. Failure to obtain a permit and/or park in the designated visitor areas may result in the vehicle being towed at the owner’s expense.

5. Locations of visitor spaces: Old Main, Eisenhower Campus Center, behind Kelly Apartments, WW Lot, on College Avenue in front of Hess Residence and in VV lot.

**Temporary or Handicap Parking Permits**

Students are eligible to purchase up to 3 weeks of temporary parking per semester. The Falcon Exchange in ECC issues temporary parking permits. Students are eligible to obtain no more than a three–day temporary parking pass at Dispatch in the ECC in the event the Falcon Exchange is closed.

*Expired temporary permits are cited each day the vehicle is parked on campus with an expired permit.*

Temporary medical parking for up to 8 weeks is available on campus with appropriate medical documentation. Medical parking beyond the 8-week time period requires a valid handicap placard and accompanying ID card issued to the student from the student’s home state. Students possessing a valid handicap placard issued in their name must register with the Falcon Exchange and pay the appropriate parking registration fee for the academic year prior to parking on campus. Contact the Falcon Exchange for registration details.

**Disabled Vehicles**

Disabled vehicles must be reported to Dispatch at ext. 6005 immediately. Dispatch will issue a special “disabled vehicle pass” in this situation. This pass is valid for 24 hours. After that time, the Department of Safety has the right to tow and store the vehicle at the owner’s expense.

*Putting personal notes on the vehicle does not constitute a valid disabled permit; a disabled hangtag must be issued by the Department of Safety to be a valid pass.*

Disabled vehicles may not block a roadway, driveway, or park on the grass. College policy prohibits the Department of Safety from using department vehicles to jump–start disabled vehicles. However, a portable jumper cable pack is available at Dispatch in ECC.

**Motorcycles/Motorized Scooters/Diesel Vehicles**

Motorcycles must have a valid Messiah College motorcycle permit and parked in the proper parking area; these are the hashed line areas in designated parking lots. Motorcycles must comply with all parking and traffic regulations. Motorized vehicles may not be stored in any College building or on apartment patios.

Unlicensed electric– or gas–powered motorized scooters are prohibited on campus; diesel vehicles that need to be plugged into an electric outlet are also not permitted on campus. The College does not have space to be able to plug in the diesel vehicles during the winter months.
Weather Emergency/Snow Removal

During periods of inclement weather, it may be necessary for faculty/staff and students to assist Facility Services and Grounds in moving vehicles so the parking lots can be cleared. Grounds will notify the Department of Safety when the need exists. Notification will be sent through voicemails and/or mass emails that will include scheduled date, time and location to be cleared. It is the owner’s responsibility to move their vehicle out of the lot by the requested date/time.

For directions to sign up for text alerts, go to https://www.messiah.edu/documents/intercom/text.pdf

There is NO PARKING ON COLLEGE AVENUE during emergency snow removal or when anticipated snowstorms are forecast by weather services. Vehicles are subject to citation and/or towing and storage at the owner’s expense.

Fire Lanes

To ensure access for all emergency vehicles, the following areas are considered fire lanes and MUST REMAIN CLEARED OF ALL VEHICLES:

- All roadways and areas in front of ALL residences and apartments
- Areas in front of, or within 15-feet of, fire hydrants and/or standpipes

If a vehicle is found in any of the above areas, it is subject to towing at the owner’s expense.

Driving Regulations

1. The campus speed limit is 15 mph; please obey the posted limit.
2. All traffic accidents involving a hit and run (pedestrian or property), injury or towing of vehicle(s) involved must be reported to the Department of Safety at ext. 6005 or 717–691–6005 immediately.
3. The following violations are serious offenses and are subject to a fine, plus costs and/or damages, which may be incurred. Depending on the severity of the violation and/or subsequent violations, campus parking/driving privileges may be rescinded for a period as defined by the Student Review Board or Director of Safety. All driving violations will be the responsibility of the operator.
   a. Driving any motor vehicle (including motorcycles/motorized scooters) on any sidewalk or lawn
   b. Speeding
   c. Littering
   d. Failure to wear a seatbelt
   e. Failure to come to a complete stop at a STOP sign
   f. Driving without headlights after dark
   g. Reckless driving or driving too fast for conditions
   h. Passing another vehicle moving in the same direction
   i. Failure to yield the right of way to person(s) in a crosswalk or to blind or handicapped pedestrians
   j. Tampering with, defacing or removing any parking or traffic control sign or device including traffic cones and road closure signs or caution tape
   k. Any person and/or registrant having more than one vehicle on campus simultaneously
   l. Failure to yield the right-of-way and/or immediately stop for a safety vehicle when emergency lights are activated
   m. Driving Under the Influence (DUI) – fine and seizure of motor vehicle, which will entail forfeiture of the motor vehicle keys and driving privileges. Drivers are deemed to have consented to standard field sobriety tests and breath tests by exercising the privilege of driving on campus.
4. Drivers are deemed to have consented to standard field sobriety tests and breath tests by exercising the privilege of driving on campus.

5. Any individual operating a motor vehicle on campus is required to have in his/her possession a valid driver’s license. Driving on campus without a valid driver’s license may constitute a fine. Violators are afforded the opportunity to present a valid driver’s license to any safety officer within five (5) days from the date of the violation to avoid the penalty. Failure to produce a valid driver’s license within the allotted timeframe will result in the above fine.

6. All motor vehicles are required to comply with their respective state's inspection requirements. A failure to comply will constitute a fine. Should the violation be remedied within five (5) days from the issuance of the citation, the fine will be rescinded.

7. All motor vehicles are required to have a valid registration and proof of financial responsibility (insurance) in the vehicle. Failure to do so may constitute a fine. Violators are afforded the opportunity to present the valid documents within five (5) days of the violation to avoid penalty.

8. The Department of Safety enforces all driving regulations of the PA Vehicle Code.

**Electronic Citation Procedure**

The Department of Safety uses an electronic citation procedure for parking violations. When a vehicle is cited, the officer will place a parking notice on the windshield. If you do not receive the electronic citation via email within a few days, please contact the Department of Safety. The citation is valid at the time of issuance even if the registrant does not receive the email.

**Procedures for Fines & Appeals**

1. It is the responsibility of the violator (or the registrant) to pay all fines or initiate an appeal within five (5) business days from the date of an issued citation notice.

2. All fines, plus any costs, are due and payable at the Falcon Exchange.

3. All registrants are entitled to appeal any parking citation within five (5) business days after Notification of the citation. Failure to comply with (a) or (b) below will result in the loss of the appeal.
   a. Appeals must be submitted through the FalconPark Parking System on FALCONlink.
   b. Once the citation has been issued, students have five (5) days to appeal the citation. If the form is not completely filled out, the appeal will be automatically denied.
   c. All appeal decisions will be made available in FalconPark.
   d. If the first appeal is denied, students have the right to appeal certain denied citations to the Student Review Board.

4. All unpaid fines or fees will be applied to the vehicle registrant’s account for the term in which they are incurred or the term in which the vehicle is registered.

5. All student accounts are confidential. No information is provided or shared without the student’s written permission. Department of Safety personnel, nor Falcon Exchange, discuss student accounts with parents/guardians unless the FERPA release form has been signed and the correct Privacy Word provided.

6. The College reserves the right to restrict, suspend driving and/or registration privileges for any violation(s) of this traffic code.

[Area Intentionally Blank]
Student Parking – Appeals and Conduct

If a student appeals his or her parking citation and the officer denies that appeal, the student has the right to appeal to the Student Review Board (which hear student parking appeals) within fourteen (14) business days. For complete details on the panel, visit the website link below.

Parking Appeals:
To appeal to the Review Board-Student Parking Appeals Panel, you must do the following:
1. The student will need to schedule a meeting with the Review Board by filling out the appeals form located on the Messiah College website at https://www.messiah.edu/forms/form/168/en/1/student_parking_appeals_panel
2. Each student is permitted a maximum of 10 appeals per semester to the panel.
3. The student has five minutes to speak with the Student Review Board Student Parking Appeals Panel. Pictures and any other evidence to support your appeal are allowed; no witnesses are permitted in the hearing.
4. The student will then be dismissed and the panel will vote on a decision.
5. Notification of the decision will be sent via email to the student’s email account within three (3) business days.
6. The Student Review Board has the final decision on presented parking appeals.

Student Conduct-Parking:

Parking is a privilege on campus—individuals who fail to abide by this established Messiah College Traffic Code are referred by the Department of Safety to the Student Review Board for conduct purposes related to vehicle parking and operational rules.

Students are notified upon reaching five (5) parking citations by the Department of Safety. Upon ten (10) citations being issued, the student is then referred to the Student Review Board. Sanctions can include fines, written disciplinary reprimand, up to and including student parking privilege revocation. Continued parking citations received may also result in the vehicle being towed, at the owner’s expense.

The Messiah College Department of Safety, Falcon Exchange, and the Student Review Board have collaborated in a concerted effort to establish conduct parameters for student parking violations. These steps are consistent, and fair, and provide opportunity for student success within the context of our learning community.

1) First Notification to student will be issued with the fifth citation notification received by the student. Notification to the student completed by the Department of Safety.

2) Second notification to student that s/he is being referred to the Student Review board for a student conduct hearing; Department of Safety notifies the Student Review board at the tenth citation. The Student Review Board has the option to have the student transferred out of their initial lot to a previously designated lot in conjunction with Falcon Exchange, and/or receives a letter of reprimand from the Student Review Board.

Student will be required to turn in the current parking permit to Falcon Exchange and receive the lot reassignment. If student fails to return the permit within seven (7) business
days there will be a $10 per day fine (for each day after 7 business days has elapsed) assessed by the Student Review Board. If the permit transfer is not completed in fourteen (14) business days or if the student fails to affix the new permit onto the vehicle, a new Student Review Board hearing will be scheduled.

3) Third notification is triggered at 15 citations and an additional hearing scheduled by Student Review Board; Board may notify vehicle registrant that vehicle may be towed for failure to abide by parking expectations and the Messiah College Traffic Code.

4) Fourth notification triggered at 20 citations; hearing by Student Review Board and student’s parking privileges may be revoked on campus. Student has the right to appeal to the College Review Board.

Should a student’s vehicle be found to be on Messiah College property after parking revocation, the vehicle is subject to towing off-campus and the owner is responsible for all associated towing and storage fees. Student may be requested to appear before the Student Review Board for the purpose of potential disciplinary or other Review Board sanctions.

Parking Violations

$15 Violations
- Parked in driveway or aisle
- Parked in roadway
- Parked in a no–parking zone
- Parked on crosswalk, sidewalk or lawn
- Failure to activate four–way flashers in no–parking zone (except along College Avenue)
- Exceeded 15–minute limit in no–parking zone
- Hindering snow removal
- Expired handicapped, temporary or disabled vehicle tag
- Parking permits not affixed to the vehicle window

$35 Violation
- Parking behind Miller
- Parking on College Avenue without four-way flashers activated
- Parking in service or reserved spaces (RD, Service, Campus Events, Visitor, Faculty/Staff lots)
- Parked in unassigned area (wrong assigned lot)

$50 Violations
- No parking permit
- Parked in front of or blocking a dumpster
- Parked in fire lane or within 15-feet of fire hydrant
- Parked in a handicapped space
- Parking in a coned–off area

Liability
The college assumes no liability for the damage to, or loss of items stolen or removed from vehicles parked on campus. It is the owner’s responsibility to remove valuables from their vehicles or put them out of sight and to keep their vehicle locked at all times.
Emergency Phones
Blue light emergency phones may be used to report suspicious or criminal behavior or an immediate concern for one’s personal safety and dials directly to the Department of Safety Dispatch center. Phones are located in B, C, D, F, VV and Treona Lots, at Jordan/Kline (WW lot), Starry Field (P lot), Lenhert Building, and in front and rear of Fry, Kelly, Mellinger, and Smith Apartments.

Safe Walk/Safe Ride
On-campus safety escorts are available for anyone from dusk to dawn. Please call 717–691–6005 from an off campus phone or ext. 6005 from an on-campus phone for a Safe Walk/Safe Ride escort. Safety escorts are provided in the form of vehicle, bicycle or on foot by safety personnel or student safety patrols.

Towing of Vehicles
The College reserves the right to remove or tow and store any vehicle, at any time, at the owner’s expense. Any vehicle that is parked or left unattended in a location that blocks or impedes traffic is subject to be towed and includes, but is not limited to, any vehicle that blocks or impedes access to a service drive, fire lane, roadway, handicapped parking area or other traffic service access. It also includes vehicles left in lots or areas that were required to be moved for construction projects, trash removal, snow removal, rising creek bed, etc. Areas specifically marked, or signed, as No Parking and/or Tow Away Zone, will subject the vehicle to towing by a towing vendor contracted by Messiah College.

An attempt will be made to contact the owner of the vehicle first. However, if notification cannot be made, the vehicle may be towed; costs for towing and storage are charged to the owner or operator of the towed vehicle. All questions on towing should be directed to the Director of the Department of Safety.

Vehicle Lockouts
We do not assist in opening locked car doors unless it is an emergency. Examples of an emergency are a child inside, a pet trapped or the vehicle engine is running and creates a risk of fire due to overheating.

Battery Jump Packs
A portable battery is available from Dispatch Services to jump-start vehicles. This service requires the individual to leave college ID or another form of ID with the Dispatcher until the unit is returned.

Safety Tips
Always keep vehicles locked.
Keep valuables out of sight or locked in the trunk.
Always walk in groups, especially at night. Utilize the Safety Escort Service from dusk to dawn.
Try to stay in well-traveled and well-lit areas. Be alert to your surroundings at all times.
If you see something that does not seem right, REPORT IT IMMEDIATELY to Department of Safety at ext. 6005 or 717-691-6005.

IF YOU SEE SOMETHING, SAY SOMETHING.

This code supersedes all others previously published.
Keep access to this map and code available at all times for ready reference.
Driving and parking on campus is a privilege, not a right.

Motor vehicle regulations are in effect at all times throughout the year, 24 hours per day, 7 days per week. In addition to these rules, all driving and parking regulations of the Pennsylvania Vehicle Code apply on campus roadways and may be enforced by local police departments. It is your responsibility to know and abide by all rules and regulations; unfamiliarity with these rules and regulations will not excuse your responsibility to obey them. This code is subject to change throughout the year. Any changes will be communicated by the Department of Safety & published in College communications.

Updated April 2019
