Communication in the supervisory relationship is vital for a successful fieldwork experience. Each week of Level II Fieldwork, it is suggested that the student complete a log and discuss it at a weekly meeting. The supervisor should provide clear and concrete feedback related to the student’s performance and then create goals with the student related to their performance for the following week.

Student Name:
Week Number:
Fieldwork Supervisor:

1. Areas of Strength:

2. Win(s) of the Week:

3. Areas of Improvement:

4. Plan to address areas of improvement:

5. Goals for the Following Week:
