

March 8, 2023

Dear Students and Parents:

The Messiah University Board of Trustees recently approved undergraduate tuition, fees, room and board charges for 2023-2024 with an overall increase of 2.91%. We are sharing this information now so you have time to plan for the upcoming year. The financial aid packaging process for continuing students will occur this summer. In the meantime, the financial aid team is available to answer your questions.

Tuition:	\$39,700
Room (double occupancy):	6,335
Board:	5,575
Fees (SGA & student services):	<u>940</u>
Comprehensive Fee:	\$52,550

The University's administration is working diligently to make meaningful investments into the quality and Christ-centered focus of our academic, residential life, campus ministries and service-learning programs. We provide quality internship, career services and study abroad programs that serve as national models for other institutions. The University sustains a championship Division III athletics program and renowned business, engineering and nursing programs.

We are very thankful for the generosity of Messiah's alumni and benefactors who support our mission and enable us to fund student services and facilities well beyond what net tuition dollars are able to provide. During the past 10+ years, the University has raised nearly \$148 million for student financial aid, academic enhancements and new facilities, including the Kim S. Phipps Admissions and Welcome Center, the Falcon Fitness Center, renovated Hitchcock Arena, a new finance lab, and a state-of-the-art cybersecurity center, both in Frey Hall. Funds donated in support of these projects ensure that we are able to provide an excellent overall educational experience for our students while working to limit our increase in fees.

Funded by the student services fee in response to the ever increasing demand for health and counseling services, Messiah students now have access to FalconCare, which provides 24/7 access to the following services anywhere in the United States, 365 days a year.

- *Medical*: On-demand access to a medical provider that can treat a wide range of common illnesses like cold and flu, sinus infection, allergies and more.
- *TalkNow*: On-demand access to a mental health professional to talk about anything at anytime.
- *Scheduled Counseling*: Scheduled options to speak to a licensed counselor.
- *Health Coaching*: Access to a nutritional specialist to help students adopt healthier lifestyle behaviors related to sleep issues, weight management and more.

The board of trustees and the administration will continue to reduce expenses, manage costs, raise funds and steward our resources so the University can fulfill its mission of educating students toward maturity of intellect, character and Christian faith. We remain grateful for God's continued faithfulness to our institution and for the opportunity to continue to invest in the lives of our students. We also deeply appreciate your choosing Messiah for your educational experience, and we recognize the important investment that you continue to make into our campus community. If you have follow-up questions regarding tuition or financial aid, please contact student financial services at studentfinsvcs@messiah.edu or 717-691-6004.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Nowicki".

Gary Nowicki
