Registration Tips

Before meeting with your advisor........

- Contact your advisor to schedule an advising meeting. Forget your advisor’s name? Go to View Student Information in Student Records Menu.

- Prepare a tentative schedule. Concentrate on a list of courses, not specific sections.

- The schedule of classes on TheView: QuEST and Beyond is the most up-to-date source.

- Check the list of QuEST (Gen Ed) courses on TheView to ensure you have selected courses to fulfill the appropriate requirements (search by attribute type).

- List your course selections on the Registration Worksheet. Print, complete and bring this form to your advising meeting.

Important Dates

March 27 - Registration materials available online
April 1 - Advising begins
April 8 - Registration appointments begin

Before Registering for Classes.........

- Log into Self-Service Banner a few days before you are scheduled to register. (If your username/password do not work, contact ITS (Tech Support) immediately).

- Check your registration time under Registration Status in the Registration Menu.

- Make sure you do not have any holds on your account (i.e. Primary Advisor, Unpaid Account Balance, Engle Center, etc.). Click on View Holds on the Student Records Menu.

- Need to register for more than 18 credits? You will need to come to the Registrar’s Office to be reviewed for approval.

- Degree Audits: Credits Applied include courses in which you are currently registered.

Remember, your advisor’s assistance is valuable, however, the responsibility for following major and QuEST (Gen Ed) requirements lies with you.
