One of my favorite days at Messiah College is Service Day. Every year during the spring semester, we choose one day when all of us cancel classes, meetings, and our other normal activities in order to serve our neighbors together in some way. During this year’s Service Day on Thursday, all first-year students will be at Special Olympics. Sophomore, junior, and senior students have many options for serving, including at Salvation Army in Harrisburg with me and other CHP students. See the link below to sign up. Wherever you serve this Thursday, I hope you find the experience to be meaningful, uplifting, and an opportunity to reflect on love of neighbor.

**Service Day, Thurs., Apr. 11.**

CHP is leading a group of CHP students to the Salvation Army in Harrisburg between 1:00 and 4:00 p.m. on Thurs., April 11. Work will include cleaning, organizing, and yard work.
