As Christians, we recognize that all our gifts and talents come from God and that he calls on us to grow them. We do this to glorify and enjoy God, to expand knowledge, and to serve our neighbor and our world. Out of a commitment to grow and apply your talents, some of you may be interested in pursuing a prestigious scholarship or fellowship after graduating from Messiah. This Tuesday evening, you can hear about some of these scholarships and fellowships, how to start thinking about whether one of these might be a fit for you, and if so how to prepare yourself to make an effective application.

Let me also ask you to celebrate with us as we welcome in the inaugural class of Honors Leadership Council members: Victoria Anders, Kasey Caras, Amy DePretis, Grant Gombert, Chloe Kauffman, Jennifer Myers, Nathan Myers, Abby Ruth, Sara Stambaugh, and Morris Taylor. These students will help shape and inform the future of the CHP, and we look forward to working with them.
