NOTE FROM THE DIRECTOR

Some of you who responded to our CHP survey last fall noted that you would enjoy more opportunities to engage in conversation with students and professors. We have one of these opportunities this Tuesday when we will hold another “talk-back conversation” on last week’s lecture by Marian Wright Edelman who spoke about ending child poverty in the U.S. At this event, you can hear the thoughts of four educators (including me) about Ms. Edelman’s lecture, and then join in the conversation yourself.

The information meeting on senior honors projects is also this week on Thursday. Come to learn about the various interesting things you can do with this project.

Finally, if you are interested in applying for the Honors Leadership Council, do so soon. The deadline is at the end of this week.
