

Six Passenger Golf Cart Driving Policy

Everyone wanting to drive the six passenger golf cart is required to do the following:

- View the “Driving Safety of Off-Road Vehicles” PowerPoint located on the Department of safety’s website at https://www.messiah.edu/info/20570/safety_training/820/college_fleet_driving_services
- Once the PowerPoint is viewed, print and sign the Verification Form, Page 28 at the end. Turn a copy of the signed verification form into your supervisor. Supervisors are responsible for records of verification forms.
- Take a 30 minute instructional driving test. Email the Fleet Van Test Instructor Dave Shafer at Dshafer@messiah.edu for an appointment.
- Once you have successfully taken and passed the driving test, you will receive an email stating so. Please forward a copy of the email to your supervisor. Supervisors are responsible for keeping records that the driving test was passed.
