Care Beyond Coronavirus

Right now you're probably facing questions and difficulties way beyond anything you ever thought you'd have to. We understand. While we hope you know you can count on Highmark for the right answers to all your Coronavirus care and coverage questions, there's a lot more we're able to help you with.

From talking to a doctor remotely to finding the things you need to get by daily, we're here for you. Promise.

We've gathered resources to help you find the things you shouldn't have to go without. Things like...

- Food and housing, from local social service programs
- Online drug treatment programming and counseling
- Mental health virtual visits
- Help 24/7/365 from a live, service professional in your area

We are going to get through this together.

For now, you can count on us for help finding all kinds of medical and community resources near you.
