

# Returning to work?

It is essential that you...

**FIRST**, Check with your supervisor to inquire whether you should be working remotely or if you should be reporting to campus. If you are to report to campus you **MUST**:

1. Complete the initial screening questionnaire via falconlink on the [FALCON-HEALTH COVID-19](#) check in
2. Report your temperature and complete the small questionnaire via [Falconlink FALCON-HEALTH COVID-19](#) on a **daily basis PRIOR** to coming to campus to ensure you are cleared to do so
3. When on campus you must wear a mask and practice social distancing guidelines
