BE READY—BE PREPARED
Develop a plan in case campus is evacuated

In certain disaster situations, it could become necessary to evacuate campus. Preparing for an emergency evacuation before there is an imminent danger will lessen stress and increase the effectiveness of the evacuation. In preparation, the University relies on the cooperation and proactive planning of every member of the University community.

During a campus evacuation, students will not be allowed to remain on campus under any circumstances, and the University will cease operations completely. Students are responsible for vacating the University via their own transportation and lodging arrangements.

The University is prepared to assist students who cannot make alternate arrangements. However, capacity will be limited, so it’s imperative that students who are able to leave on their own commit to their own personal evacuation plan.

DISCUSS TODAY YOUR PLANS FOR LEAVING CAMPUS IN THE EVENT OF AN EVACUATION IN THE FUTURE.

DEPARTURE CHECKLIST

Make a list of the very important things you need to remember to take if required to evacuate campus:

- Driver’s license, passport and University ID
- Medication and prescriptions
- Money, checks, bank card and credit card
- Contact lenses and eyeglasses
- Cell phone, charger and phone card (in case cell coverage is down)
- Personal toiletries and hygiene products
- Keys, including keys for home
- Laptop, iPad and other portable electronics of value
- Valuable jewelry or heirlooms
- Other important documents: social security card, insurance information, property inventory, special medical information

EMERGENCY WEBSITE
Messiah911.wordpress.com

DEAR PARENT,

We are excited and looking forward to welcoming students back to campus in just a few short weeks! Messiah University is committed to providing a safe community, and, as part of that, we want to share with you our emergency preparedness and evacuation plans as required by the Higher Education Opportunity Act. As with any effective emergency plan, the cooperation and proactive attention of every member of the University community is needed, and, therefore, the University encourages thoughtful planning for emergency conditions.

We want our students and their families to be as prepared as possible in the unlikely event that an emergency or disaster would require us to evacuate campus. We have designed a planning resource to facilitate the development of your student’s personal evacuation plan. Enclosed are guidelines that explain how you and your student can plan for an evacuation. This information also has been included in both the student and parent electronic myMU Guides. Please take the time to review this material with your student and work together to shape a plan that your family can implement should such an occasion arise.

Thanks in advance for having this important conversation. We are hopeful that we will never have the opportunity to implement these plans, but are glad for your partnership in being prepared.

Sincerely,

Kris Hansen-Kieffer
Vice Provost for Student Success and Engagement

DEVELOPING YOUR PLAN
Planning for the possibility of evacuation

I. Determine the most practical means by which you could leave campus in the event of an evacuation:

a. Personal car
b. Ride with a friend or sibling
c. Parent or relative pick up

This needs to be confirmed and agreed upon in advance, including where to meet. The University has designated the following locations as possible places for students to meet rides in the event the student cannot wait on campus:

1. Grantham Church
2. Bowmansdale Facility (Lisburn Road and Bumblebee Hollow Road)

This will be determined and communicated by the University depending on the situation.

Most students plan to travel home or to a designated relative's or friend's home within a 100-mile radius of the University. It's important to specifically identify the following information:

a. Where will you go in the event of a campus evacuation if going home is not possible?
b. What is the contact information for the host of your evacuation site (if not going home)?
c. What are the directions for more than one route to the evacuation site from campus?
d. Will you bring friends along with you?

It’s important to confirm now that the evacuation destination is a viable option.

4. Develop a list of contacts, including at least one out-of-state contact person.

It is often easier to call long distance than locally during an emergency situation. Discuss a plan by which you contact a designated person to notify if your plan changes as well as once you are safely evacuated.

5. Determine how you will secure valuable personal belongings (preferably by taking them along) before evacuating the campus.

For insurance purposes, develop an itemized list of personal property including room furnishings, clothing and valuables. Photographs of your possessions are helpful.

6. Review insurance needs.

The University strongly encourages students to obtain insurance coverage protecting personal property. If a student does not have adequate insurance coverage, the entire amount of any loss or damage to personal property is the sole responsibility of the student.

WE RECOGNIZE THAT FIRST-YEAR STUDENTS MAY NOT HAVE CARS ON CAMPUS; HOWEVER, MANY FAMILIES DEVELOP PLANS THAT INCLUDE LEAVING CAMPUS WITH AN UPPERCLASS STUDENT WHO HAS A CAR.

IN THE EVENT OF A CAMPUS EVACUATION, THE UNIVERSITY WILL NOT BE ABLE TO TRACK THE MOVEMENT OF EACH STUDENT. IT IS VERY IMPORTANT THAT EACH STUDENT AND HIS/HER FAMILY HAVE AN INDIVIDUAL EVACUATION AND EMERGENCY COMMUNICATION PLAN IN PLACE.
BE READY—
BE PREPARED
Pack an emergency kit in advance

Fill an easy-to-carry emergency preparedness kit that you take with you immediately in case of evacuation.

- **Water**
- **First aid kit with:**
  - Bandages and gauze
  - Antibiotic ointment
  - Aspirin and non-aspirin pain reliever
  - Antacid and anti-diarrhea medication
  - Rubbing alcohol and moist towelettes
- **Sunscreen**
- **Battery-operated or wind-up radio and flashlight (extra batteries)**
- **Towel**
- **Paper towels**
- **Plastic trash bag**
- **Map of the area**
- **Personal hygiene products**
- **Extra copy of emergency contact info**

QUESTIONS?
Questions may be directed to the Office of Student Success and Engagement at 717-796-5234 or via email at deanofstudents@messiah.edu.

TEXT MESSAGE ALERT SYSTEM

While the University would utilize multiple communication outlets in an emergency, text messaging offers a quick, broad-reaching means of communication to campus. By being sure your student is enrolled in our text message alert system, you can help ensure that they’re “in the know” if there is an emergency on campus.

For your student to enroll in the text message, they should log onto myMU today and look for the “Text Alert System” link.
