

## Civil Rights Tour FAQ

- **What is the Returning to the Roots of Civil Rights Tour?**  
A nine day tour of key southern sites of the Civil Rights Movement of the 1950s-60s. The tour is coordinated by the Common Ground Project, a nonprofit dedicated to teaching the history of the Civil Rights Movement.
- **Why does Messiah College participate in the tour?**  
At Messiah College we are committed to service, leadership, and reconciliation. We view participation in the tour as an opportunity to live into this mission.
- **How do I sign up for the tour? How are people selected?**  
If interested in participating in the tour you must first clear your possible participation with your supervisor in regards to your ability to travel during this time. You will then need to contact the Office of Diversity Affairs to be placed on a list of potential participants. When contacting the Office of Diversity Affairs please inform them as to whether or not persons outside of the College might join you on the tour. Based on the number of available slots, the Diversity Committee will advise the Special Assistant to the President & Provost for Diversity Affairs in the participant selection process. Persons who have expressed an interest in the tour will be notified in mid-late February as to whether or not they have been selected and will be advised as to the next steps to be completed in order to confirm their participation. Failure to complete this process in a timely manner may cause you to be removed from the participant list. If you are not selected in the first round you will be asked if you'd like to be added to a waiting list. Messiah College has been awarded 14 slots (5 Students/9 Board/Employees) for the 2020 tour.
- **When is the tour? Where does the tour visit?**  
The tour is held annually (usually the first or second week of June.) The tour departs from Western, PA and makes stops in the following cities: Greensboro, NC; Atlanta and Albany, GA; Montgomery, Selma, and Birmingham, AL; Memphis and Nashville, TN; and Canton, OH. **This year's tour is scheduled for June 13-21, 2020.** A detailed itinerary of past trips is available by contacting the Office of Diversity Affairs.

- What if I can't travel the entire length of the tour?**  
 Due to scheduling conflicts, we have had participants in the past either fly in to meet the tour along the way or make arrangements to depart early. If you need to make alternative travel arrangements to connect with or depart from the tour, you will need to discuss this in advance with the trip coordinators from The Common Ground Project. You are responsible for covering this additional travel expense.
- What is the cost of the tour and what does this cover?**  
 The rates for the 2020 tour are as follows: \$1,500 Single Occupancy and \$1,200 Double Occupancy. This cost covers the following expenses: Transportation, Lodging, Museums, Speakers, and Books. Meals are NOT covered in this price. A \$100 per person nonrefundable deposit will reserve a seat. Reservations are on a first come first served basis.

- If I know someone who lives near one of our tour stops would I be able to visit them?**
