Step 2:

Complete the form with your information and FSA ID, follow instructions to view loan information.

The form asks for: "What is your social security number?", "What are the first two (2) letters of your last name?", "What is your date of birth?", and "What is your PIN?". There is a "Submit" button. Below the form, there is a note: "Once your PIN can be used to retrieve personal information about you and to sign documents, including a promissory note, you must not share or disclose the PIN to others. By using your PIN, you agree that it has not been compromised -- no one should know it. If you think your PIN has been compromised, you should change it at the Department of Education PIN Registration Web site using the option 'Change PIN'." At the bottom, there is a "FOIA | Privacy | Security | Notices" link.
