STEPS TO COMPLETE AFFIDAVIT OF SUPPORT

1. Indicate your Financial Status

Some international students have the ability to fully fund their education and are not seeking any financial assistance. Other international students do not have sufficient funding and need financial assistance in order to attend Messiah University. While Messiah University does offer partial need-based aid to international students, this is limited and does not cover the full cost of attendance for any student. On average, a first-year student will need approximately \$27,500/year and a transfer student will need approximately \$33,500/year to support a Messiah University education. As part of the application process, students and their parents/guardians must complete the Affidavit of Support Form regardless of their financial status.

2. Complete and Upload the Form

In Section D, provide an overview of your family's financial situation. In Section E, note the type and amount of funds that you intend to use toward your educational expenses. Financial resources that will not be used toward your education expenses, or amounts in excess of the projected expenses, should not be included in this table. The form must be completed, printed, and signed by both the student and the parent.

3. Upload Corresponding Financial Documentation

Applicants must upload verifying documents for all funding sources. Examples follow.

- **Bank Letter:** Signed, dated letter from your bank stating current account balance(s)
- **Bank Statements:** 3 months of recent bank statements showing a consistent average balance that does not drop below your estimated yearly attendance amount
- **Certificate of Deposit:** CD should bear unexpired withdrawal date or unexpired maturity date
- **Fixed Deposit Slip/Receipt:** Receipt should bear unexpired withdrawal date or unexpired maturity date
- **Letter of Support & Verifying Bank Documentation:** If you have a sponsor or other funding source, such as a relative, government agency, outside scholarship or church stipend, then submit a letter of support that is written and signed by the sponsor. Also submit verifying bank documentation of the sponsor's source of contribution towards your expenses like a bank letter or 3 months of recent bank statements.

All financial information is confidential.

The Affidavit of Support and financial documents may be submitted using Messiah's secure file upload system by clicking [here](#) or they can be emailed to international@messiah.edu.
