What to do if you have symptoms or are exposed to COVID-19:

Do NOT come to work!

Step 1: Immediately report your symptoms or exposure on the Falcon Health check-in.

(Click on the button below to go to the main Falcon Link webpage. Look for the "Falcon Health COVID-19 check-in" card.)

Step 2: Let your supervisor/dean/chair know that you are awaiting instructions from the COVID triage nurse.

Plan of Action

Step 3: Do NOT call the Engle Center. Due to the vast amount of student care this semester, they are unable to provide care to employees; however, they will contact you via email with a plan of action and Human Resources will assist you along the way.

For clarifications or help, please call or email
