

What's next? *Your guide to joining the Messiah University community*

Congratulations on being accepted into Messiah University!

We are excited to have the opportunity to help you on your educational journey. Now that you have been accepted to our program, below are the next steps for you to take to finalize your enrollment:

Submit an enrollment deposit to confirm your decision to attend our program

The submission confirms your decision to attend. This is not a fee. The enrollment deposit is nonrefundable, secures your position in your program and will be applied to your student account toward tuition. To view the details of your enrollment deposit, visit messiah.edu/graddeposit.

Payment options:

- **Online:** Visa, MasterCard, Discover and American Express can be used online at messiah.edu/graddeposit.
- **Check:** Payable to "Messiah University" and indicate student's name in the memo line. Please mail to: Messiah University, Admissions, One University Avenue, Mechanicsburg, PA 17055.

Apply for financial aid

Graduate students at Messiah University are eligible for several types of student loans. For a comprehensive overview of Messiah's financial aid options, visit messiah.edu/grad-accepted.

Have a question? We are happy to assist you!

FalconLink computer access questions:

Technology Support
techsupport@messiah.edu
717-796-4444

717-691-6004
(Select option for graduate/professional students.)

General questions:

Graduate Enrollment Office
gradprograms@messiah.edu
717-796-5061

Activate your Messiah University account

If you already have a working Messiah username and password, you can skip this activation procedure. After you pay your enrollment deposit, please create a password using your Messiah ID number (provided on your admission letter) and birth date at sso.messiah.edu/activate.

Multi-factor authentication (MFA):

When you activate your Messiah University login, you will also need to follow Messiah's MFA process. MFA will help protect you from cybersecurity threats by providing a second form of authentication when you log into your Messiah account. Learn more at messiah.edu/MFA.

Access FalconLink (our campus portal):

- To log in, go to FalconLink at falconlink.messiah.edu. FalconLink is a searchable set of links organized in cards. To find anything you need, just search for the term, phrase or related word and a list of results will display.
- Access Messiah email by searching for/clicking on the "Falcon Mail" card. Once you have activated your Messiah University login, be sure to check your email often. We will no longer use your personal email address. Your advisor and program staff will communicate with you via your Messiah email. Financial aid awards, if applicable, and information from your instructors about upcoming courses will also be sent to your Messiah email.
