RE: 2026-2027 Academic Year Financial Aid Policies Information

The Messiah University Financial Aid Policies information is made available to all students each academic year on the Web at: <https://www.messiah.edu/info/21385/policies>

We are sending you this special memo in order to point out certain sections of the Financial Aid Policies to which you should pay close attention. Much of the information in the Financial Aid Policies applies only to students who are United States citizens or eligible non-citizens and who qualify for the various financial aid programs that the Federal government of the United States provides. Hence, that information will not apply to you. But there are a few items to which we feel are important to draw to your attention. These include:

- [Satisfactory Academic Progress](#)
- [Institutional Refund Policy](#)
- [Student/Parent Responsibility](#)
- [School Requirements for Officially Withdrawing from the School](#)
- [Medical Leave of Absence](#)
- [Student's Rights Under the Family Education Rights and Privacy Act \(FERPA\)](#)

In addition, you may be interested in reviewing other information about scholarships for which you could be eligible.

Thank you for taking the time to be aware of these important policies. If you have any questions about this information, please contact the Financial Aid Office at extension 6007.
