Protect Your Student's Property

Every year college students like yours lose millions of dollars worth of personal property from theft, fire, flood, vandalism, natural disasters and accidental damage. For pennies a day you and your student can be protected against financial hardships caused by loss of property. The STUDENT PERSONAL PROPERTY PLAN® is officially recognized at over 2,000 colleges and universities in the United States. This plan protects your financial investment in personal property and guarantees your satisfaction.

SUMMARY OF BENEFITS:

- National Student Services, Inc. policies provide REPLACEMENT COST coverage.
- Claims are processed in-house for quick and easy processing. There's no need to file a claim with the parent's homeowner's insurance. The student's NSSI policy is primary over other insurance.
- We offer coverage for all college-level students, faculty and staff.

If you're not satisfied with your coverage, simply return your policy within 30 days for a 100% money-back refund of the premium amount.
